

With the closing and reconstruction of the DeSoto Bridge, traffic on East St. Germain may be a little heavier, but you can still easily get to Continental Press. Here are a couple of suggested routes.

From the West end of St. Cloud - Take 1st Street North across the Veterans Bridge. Turn left onto Riverside Drive NE - this is the first left directly after the bridge. Keep in mind no left turns are allowed at 2nd Avenue NE.

An Alternate Route from the West end of St. Cloud - Take 1st Street North across the Veterans Bridge. Take a left onto Wilson Ave, go North and turn left onto 2nd St. NE. At the T (which is 2nd Ave. NE) turn left. Our back parking lot is a couple of blocks ahead and on the right, just after the train tracks.

From Sauk Rapids/Sartell area - Cross the Mississippi River in Sauk Rapids, take Benton Drive South and turn right onto 2nd Avenue S - when the road “Y”s stay to the right. Continue until you see our back parking lot.

Feel free to come in the back door!
